Thursday 31

8:45 – 11 am “Using high-density mapping”

Chairs: Drs. T. Arentz and E. Rodriguez

- 09:00 am – 9:30 am “High-Density mapping in ablation of supraventricular arrhythmias” Dr. A. Jadidi
- 9:30 am – 10:00 am Live in the Box I (Ablation of supraventricular arrhythmia case)
- 10:00 am – 10:30 am “High-Density Mapping during ablation of ventricular arrhythmias” Dr. C. Alonso
- 10:30 am – 11:00 am Live in the Box II (Ablation of ventricular arrhythmia case)

11 am – 11:30 am Coffee Break

11:30 am – 13:30 pm “Back to the RETAC roots: Difficult cases 2018”

Chairs: Dra. P. Defaye and M. Zimmermann

- Each RETAC center will have a 15-min presentation to disclose their activity and some difficult ablation cases being confronted during the past year.

1:30 pm – 3 pm **Lunch**

3 pm – 4 pm **Special session: “What is coming next for arrhythmia treatment?”**

Chairs: Drs Chan-il Park and X. Viñolas

- 3 pm - 3:30 pm “What’s coming for EP? (High-power short-duration ablation, needle, new energies” Dr. J. Guerra
- 3:30 pm - 4 pm “What’s coming for CRM? (His pacing, remote monitoring, micra vdd, etc” Dr. P. Defaye

4 – 5 pm “**Administrative RETAC session**”

Chairs: Drs. S. Boveda and X. Viñolas

Friday 1

9:00 am – 10:00 am “Controversia: Will Cabana & Castle-AF trials change my indications for AFib Ablation?”

Chair: Drs. V. Bazan and A. Curnis

- Yes, they definitely open indications that were not well established.
Dr. S. Boveda
- No, I will keep my current indications
Dr. J. Marti-Amor

10:00 am – 11:30 am “What have we learnt from complications in our EP procedures?”

Chair: Drs. T. Arentz and E. Rodriguez

Each RETAC center will have a 10-min presentation to show relevant complications that have helped them improve their daily practice.

11:30 am – 12:00 am Coffee break

12 am – 1 pm “Scientific activity of RETAC group members during 2018”

Chair: Drs. S. Boveda and A. Jadidi

- 12 am – 12:45 am “Relevant 2018 publications authored by RETAC members”
 - Publication 1
 - Publication 2
 - Publication 3
- 12:45 am – 1:00 pm Discussion

1:00 pm “**Conclusion remarks & RETAC 2017 meeting’s**

wrap up”

Drs S. Boveda and X. Viñolas
